

Multipurpose Board

A versatile fibre cement board that is ideal for durable and rapid wall construction.

Applications

- Is equally suitable for interior wall linings and exterior wall claddings. FRAMECAD Multipurpose Board is a suitable substrate for paint and wallpaper finishes.
- Suitable for use in residential, industrial and commercial applications.

Features & Benefits

- FRAMECAD Multipurpose board is resistant to permanent damage from moisture and rotting when installed and maintained correctly.
- FRAMECAD Multipurpose board is non-combustible and resists flame spread.
- High impact strength means less damage during the construction process and excellent durability through the service life of the building.
- Good flexural strength, meaning it can be easily transported and handled without cracking.
- FRAMECAD Multipurpose board is insect resistant.

Environmental Info

- The raw materials used to manufacture fibre cement are low in toxicity - wood pulp, cement, sand and water (recycled up to 4 times).
- Fibre cement is non-toxic to dispose of.
- H&S - Fibre cement is inert, non-toxic and not prone to off-gassing of volatile materials.

Manufacturing Classification

- Manufactured under an ISO9001 certified quality management system.

PHYSICAL PROPERTIES	
Fire Resistance	FRAMECAD Multipurpose board is non-combustible and qualify for Early Fire Hazard Indices as per AS1530 part 3, and Resistance to Fire as per BS476 part 4, 5, 6, 7, and 8
Moisture Resistance	FRAMECAD Multipurpose boards are moisture resistant and are tested as per IS14862
Durability	FRAMECAD Multipurpose boards are highly durable and excel in all tests as per IS14862

Multipurpose Board

SPECIFICATIONS							
	Thickness (mm)	Profile	Length (mm)	Width (mm)	Area per Sheet (sqm)	Sheets per Pallet	Weight (per sheet)
Multipurpose Board	6	Square Edge	2400	1200	2.88	96	25.8
		Bevel Edge	2400	1200	2.88	96	25.8
	9	Square Edge	2400	1200	2.88	65	38.7
		Bevel Edge	2400	1200	2.88	65	38.7
	12	Square Edge	2400	1200	2.88	50	51.6
		Bevel Edge	2400	1200	2.88	50	51.6
	18	Square Edge	2400	1200	2.88	33	77.4
		Bevel Edge	2400	1200	2.88	33	77.4

Note: Typically, 8 pallets of product are packed into one 20 foot ISO Container
